Feb. 1949 - Volume 0, No. 0

MUSINGS

Why don't more people exhibit their coins?

* * * *

Wouldn't it be nice, if the piano is a permanent fixture, to have some talented member render a musical number?

* * * *

Why is it so difficult for some members to attend meetings when our good member Dick Yeoman rarely misses and comes all the way from Racine, Wisc?

* * * *

Why talk on your exhibit unless you wish. Just exhibit.

Auction this month. Bring your pocketbook!

Notice the new name? Quite a few were submitted--all good--but considering the limitations of ye editor, the letter does not warrant some of the distinguished names suggested.

* * *

MUSINGS:

It is pleasing to note that those who leave Chicago keep their membership. It must be a good club to belong to.

* * *

Why not take advantage of the Club's Library? Lots of good books, and they belong to YOU. Use them!

* * *

Would like to see dealers more careful in classification of coins advertised.

* * *

Why didn't someone volunteer a few items for this month's letter?

* * *

Only 62 members at the February meeting. Why don't more attend?
